

Sammy

DOLPHIN BLUE

Basic Controls

Player Movements: A (Forward), B (Back), C (Jump/High Speed Movement Underwater)

Attack: S Attack

The key to victory is the S Attack!

Use bombs on land! The Dolphin above water! The Dolphin under water!

S Attack with the C Button!

Use the S Attack like this!

- Keep attention on the S Gauge! The gauge automatically accumulates. The force doubles when at Max!
- Use it in combination with the joystick!
- The S Attack is limitless! Keep on using it!

Explanation of Items... Defeat foes or destroy various places, and items will appear!

Power-up Items	Score Items	Medal Items
Gatling Gun Fire Cracker Hyper Gatling Missile Launcher	Your score will be increased! 	Keep on getting items, and advance to a higher level! (Point!) With certain foes, the faster they are defeated, then a medal is...!!

* Besides these, there are various types of items.

Basic Controls

Player Movements: A (Forward), B (Back), C (Jump/High Speed Movement Underwater)

S Attack

Explanation of the S Gauge

The S Gauge automatically accumulates. The force of the S Attack doubles in correspondence to the accumulation performance!

Explanation of the S Attack... Master the S Attack in accordance to the scene!
